

**Shire of Victoria Plains
Works Supervisor
Package \$116,000.00 negotiable**

The Shire of Victoria Plains offers an opportunity to embrace a tree change lifestyle that will provide the serenity and security of a country location with the added advantage of living and working within 140 kilometres of the Perth CBD.

Reporting to the Works & Services Manager, we are looking for suitably qualified and experienced **Works Supervisor** to safely and efficiently assist in the delivery of the Shire's annual works programs and projects.

As the **Works Supervisor**, you will have drive, initiative, and a 'can-do' attitude. Ideally, you will also have Local Government supervisory experience, a high-level understanding of road construction and maintenance including plant maintenance, drainage, and sewerage line knowledge, together with experience in the management of streetscapes, reserves, and public open spaces.

There is an excellent remuneration package on offer, work vehicle with commuter use, increased superannuation options and subsidised housing within the Shire.

Interested applicants may obtain the Position Description by contacting Mike Fitzgerald on 0419907443 or emailing mike@fitzgeraldstrategies.com.au or by downloading the document from <https://www.fitzgeraldstrategies.com.au/local-government-job-vacancies/>

Applications, consisting of an **application letter**, and a **Resume** and the names and contact details of **two referees** for whom you have worked in the recent past, should reach the undersigned by email by 4:00pm on Tuesday 10 May 2022.
